## About Myself!

---

Ambitious competitive programmer passionate about acquiring new skill and knowledge, continuously striving to solve complex problems. Experienced as a virtual assistant, I am a fast learner and a collaborative team player who enjoys working with others to achieve shared goals and develop innovative solutions.

## Education

---

**Khulna University of Engineering and Technology(KUET)**

Jan 2020 – Present

Bachelor of Science in Electronics and Communication Engineering(ECE)

## Language

---

Fluent in Bengali and English

## Programming Language

---

Worked with C, C++, JavaScript, Apps Script & Python

## Projects

---

### Interactive Coding Platform

- Designed and developed a platform as part of an academic project, focusing primarily on front-end development. The platform features algorithm visualizations for BFS and DFS, along with interactive 2D games such as Bounce Ball, Snake Classic, and Air Combat Elite, utilizing innovative concepts and JavaScript functionality.

## Experience

---

### Programming Contest

- Kuets IUPC 2024(ranked 17<sup>th</sup>)
- **2<sup>nd</sup> Runners Up**, Khulna Regional IUPC 2024
- BUET IUPC 2023, 2024(ranked 19<sup>th</sup>, 12<sup>th</sup>)
- **Runners Up**, UGV South Zone Programming Contest, 2022
- Participated in ICPC Preliminary Dhaka Site 2023, 2024, NCPC - 2024, CUET IUPC - 2024
- Intra Kuets Programming Contest 2023,2022(ranked 4<sup>th</sup>, 4<sup>th</sup>)

### Codeforces

- Expert ([ZperegriANE](#), max. 1666)
- Solved 1800+ problems in different platforms(Codeforces, Atcoder, Codechef etc)

### Virtual Assistant at MeetObby

- Workload mainly consists of cleaning and reforming data using Apps Script and establishing different integration with Zapier.
