Programming Language: C, C++, Python, Java, SQL
Database: Oracle, Firebase
Framework and SDK: ASP.NET, MySQL, Android
Others: Git, Problem-Solving, Communication, Teamwork

PROJECTS

FoodFrenzy, An online food ordering responsive website  May 2023 – Jun 2023
• A dynamic food ordering website that offers seamless user navigation, **secure authentication**, **cart and checkout functionality**, a bunch of **admin activities**, and **order tracking**. Built with HTML, CSS, JavaScript, C#, ASP.NET Web Application (.NET Framework) and Microsoft SQL Server database.

BOOKit, Mobile application (Android)  Oct 2022 – Dec 2022
• The project is based on **Hotel Booking System**. Developed using **Android tools**. Services including **flight ticket booking**, **admin activities**, and **user profile activities** are provided. Users can give **feedback** to the hotels.

School Management System, A database system  May 2023 – Jul 2023
• The system is developed using **Oracle SQL Plus 21c** which facilitates efficient school data management, allowing administrators to manage teachers, students, classes, subjects, results, etc.

CardioCare, A collaborative project using Git and GitHub.  Apr 2023 – Jun 2023
• A user-friendly **Android app** that allows individuals to easily **track and monitor** their **blood pressure** and **heart rate data**. The app enables users to **record measurements**, **view a list of records**, **edit existing entries**, and **highlight unusual blood pressures**.

ACHIEVEMENTS

- **Champion** at Intra KUET Programming Contest 2023 
- **Ranked 59th** at the UIU IUPC 2025 
- **Ranked 36th** at Khulna Regional IUPC 2024 
- Google Kickstart 2022 Round B (**Global Rank: 2967**, **Country Rank: 84**) 
- Pupil at Codeforces (**Contest Rating: 1375**) 
- 3 Star at CodeChef (**Contest Rating: 1653**) 
- Solved **1700+** Problems on multiple Online Judges 
- Participated in **200+** Programming Contests (Online + Onsite)
- Awarded Dean's List for academic excellence during the BSc. Academic Session of 2019-2020 

EXTRA-CURRICULAR ACTIVITIES

Event Organizer, BitFest 2025  Oct 2024 – Jan 2025
• Organizer of the Inter-University Programming Contest (IUPC) at the 3rd KUET CSE National Festival, and achieved **team management**, **networking**, and **communication** skills.

Performance Analyst, Feb 2023 – Jan 2025
Special Group Interested in Programming Contest (SGIPC) 
• Improved **problem-solving capability**, **analytical ability**, **teamwork**, and **communication** skills.
